SCIENCE DRIVEN WELLNESS

UNIT 1 : HIGER PLANT AT PALGHAR

HIGER HEALTH SCIENCE is a leading ISO 22000, HACCP, and GMP-certified Manufacturing facilities specialising in research-based private labelling and contract manufacturing for the health supplement, nutraceutical, phytochemicals, and instant food premixes.

UNIT 1: CENTRAL PASSAGE

With a strong foundation in Science-driven formulation and Quality Assurance, HIGER provides end-to-end manufacturing solutions — from product development and regulatory support to packaging and market-ready delivery.

UNIT 1 : GRANULATION

HIGER Operates with two state-of-the-art manufacturing plants, designed to cater to both small-batch development and large-scale commercial production, ensuring flexibility, consistency, and efficiency for every client.

Our commitment lies in delivering innovative, high-quality, and regulatory-compliant products that help our partners build trusted brands in the global wellness market.

UNIT 2 : LARGE VOLUME CONE BLENDER

Driven by Research. Powered by Quality. Trusted by Brands.

Partner with HIGER HEALTH SCIENCE - your complete solution for nutraceutical innovation and manufacturing excellence.

CORPORATE OFFICE IN MUMBAI

Both HIGER Mfg facilities are located at Palghar , Near Mumbai, while the Corporate Office is situated in Vile Parle, Mumbai - about 10 mins from the Mumbai International Airport.

Our product expertise covers a wide range of dosage forms and different salutary and restoratives including:

- Tablets** – instant solubles and chewables.
- Capsules** – vegetarian
- Sachets** – instant drink mixes, functional beverages, and nutritional blends
- Powders & Premixes** – customized formulations for health and wellness
